Availability: 2 - 3 Days

Price: 305.00€

Ex Tax: 250.00€

Description
The garden fire pit is perfect for a cozy gathering around an open fire all year round. In winter, the warmth of the fire provides heat, relaxation, socializing, perhaps a glass of mulled wine, terrace heating, or simply outdoor fire lighting. It is also indispensable for special occasions, as the warmth of the open fire creates a magical atmosphere. Of course, it is suitable for other seasons as well, as fire brings peace and a pleasant feeling.

The garden fire pit is not only intended for burning but also offers numerous cooking options. You can grill on a grate, cook on a plate, bake under the lid, rotate skewers or sausages, roast corn, potatoes, chestnuts...
For additional cooking accessories, contact us.
