Description
The disassemblable garden fire pit is perfect for enjoying cozy moments by the fire all year round. In winter, the flames provide warmth, relaxation, and an opportunity to gather with a glass of mulled wine, heat terraces, or simply enjoy the charm of an open flame. It creates a magical atmosphere for special occasions. Usable in all seasons, the fire adds a sense of warmth and tranquility.

The garden fire pit is not just for burning wood but also for grilling. Use it with a grill grate, a cooking plate, or for preparing food under the lid. You can roast skewers, sausages, corn, potatoes, chestnuts, and more. Contact us for more information about grilling accessories.
