Product Code: 40012
Availability: 3 - 7 days

Price: 1403.00€

Ex Tax: 1150.00€

Description
WORKBENCHES WITH PERFORATED WALL AND CABINETS - FAST, QUALITY AND AFFORDABLE CUSTOM MANUFACTURING

professional execution, solid frame
worktop beech 40 mm, solid, glued (or on request)
shelf plywood 15 mm, plywood T-FIX (or on request)
perforated wall for tool hanging made of quality europerforation
LED lighting for the entire workbench
outlets (on one or both sides, with a safety switch, industrial design)

Manufacturing is possible for almost any dimension and shape (length, depth, height, number of drawers, shelves, and positions of both).

The price calculation is an example of a workbench with a depth of 60 cm, with a solid beech worktop, a bottom shelf, and drawers. The depth of the workbench can, of course, be completely customized according to the customer's wishes.

Additional options;

drawers on ball-bearing slides: 20,00 EUR / pc
tool hanging set, professional execution (1x hanger for large keys, 1x

hanger for small keys, 1x hanger for screwdrivers, 10x single hanger 50 mm, 5x single hanger 200 mm, 5x double hanger 50 mm)
additional tool hangers (according to the price list)
varnishing of wooden parts of the workbench with high-quality 2K polyurethane varnishes for load-bearing surfaces; price depends on the size of the table
additional drawers + bearing rails + construction; 70.00 EUR / piece
installation of locks; 20.00 EUR / drawer or cabinet door (on the same or different keys)
adjustable legs; 10.00 EUR / leg
additional shelves
ordering the color of the front sides of the drawers on request, optionally also the frame
...
Prices quoted do not include VAT!

Possibility of deviation from the specified external dimensions by up to 10 mm (if you need the exact specified dimensions, please notify us in advance).

Tools are not included in the price.
