Price: 976.00€

Ex Tax: 800.00€

## Description

**WORKBENCHES WITH PERFORATED WALL - FAST, QUALITY AND AFFORDABLE CUSTOM MANUFACTURING**

professional execution, solid frame  
worktop beech 40 mm, solid, glued (or on request)  
shelf plywood 15 mm, plywood T-FIX (or on request)  
perforated wall for tool hanging made of quality europ perforation  
LED lighting for the entire workbench  
outlets (on one or both sides, with a safety switch, industrial design)

Manufacturing is possible for almost any dimension and shape (length, depth, height, number of drawers, shelves, and positions of both).

The price calculation is an example of a workbench with a depth of 60 cm, with a solid beech worktop, a bottom shelf, and drawers on bearing rails. The depth of the workbench can, of course, be completely customized according to the customer's wishes.
